

WECONNECT PARISH APP

Evangelize and Catechize Your Parishioners on their Smartphones

A ministry tool to encourage your parishioners to join a ministry, share their gifts and talents, pray for people in need, attend a parish event, come back to Mass, grow in their faith, sign up for Adoration and more.

✔ **Group Messaging for Ministries**

Allows push notifications and provides a space for individual ministries to customize and tailor messages to their specific group.

✔ **Easy To Brand & Customize**

Offers your parish the opportunity to use existing church branding so parishioners recognize your parish app as an extension of their church.

✔ **Engagement & Technical Support**

A dedicated team supporting you with 1:1 training, phone and email support, engagement strategies and marketing resources.

✔ **Integrates with Church Website**

The Vibrant Parish app is an integrated feature of our website builder, WeConnect, so when you add content to your website it syncs instantly with your app.
