

# WECONNECT PARISH APP

Evangelize and Catechize Your Parishioners on their Smartphones

A ministry tool to encourage your parishioners to join a ministry, share their gifts and talents, pray for people in need, attend a parish event, come back to Mass, grow in their faith, sign up for Adoration and more.

- ✔ **Group Messaging for Ministries**  
Allows push notifications and provides a space for individual ministries to customize and tailor messages to their specific group.
- ✔ **Easy to Customize**  
Unlike other apps, you have control over what parishioners see first when the app opens.
- ✔ **Integrates with Church Website**  
The WeConnect Parish app is an integrated feature of our website builder, WeConnect, so when you add content to your website it syncs instantly with your app.
- ✔ **Engagement & Technical Support**  
A dedicated team supporting you with 1:1 training, phone and email support, engagement strategies and marketing resources.

## INTRODUCE YOUR PARISH STAFF

Provide access to phone and email contacts, add a photo, and write something special.

## ENGAGE THEM IN MINISTRIES

Add all of your ministries then easily send group messages to those who subscribed.

## CATECHIZE YOUR COMMUNITY

With Catholic prayers, daily readings, blogs, RSS feeds, and Catholic resources.

## INVITE PEOPLE TO EVENTS

Add events and activities so parishioners can participate fully in the life of your parish.

## COMMUNICATE INSTANTLY

Send messages to your entire parish community instantly with a single click.

## DELIVER BULLETINS DIGITALLY

Automatically deliver your bulletins digitally to your parishioners on their phone.

## OFFER EASY ONLINE GIVING

Provide members the opportunity to share their gifts by donating on the phone.
