

HOW CAN WEGATHER

HELP YOU MANAGE & CONNECT
WITH PARISH MEMBERS?

WEGATHER
A NEW ERA OF PARISH TECHNOLOGY

START WITH OUR SUPERIOR CENSUS PLATFORM

Easily Store, Secure and Manage Member Records

Manage parishioner contact, contribution, demographic, and sacramental information with the power of the #1 database in the world, Salesforce.com. Leverage the robust search engine to easily find and update any parishioner or family record.

Expertly Filter, Sort, and Segment Your Data

Bring your data to life through the flexible and customizable reporting capabilities. Provide staff with the flexibility of scheduling, assigning, and managing tasks for inter-office communications. Keeping track of personal notes for each member or family in the parish. Stay connected with parishioners and families with the easy-to-use email functionality to create, send, and track emails.

...THEN CUSTOMIZE YOUR SOFTWARE WITH OUR INTEGRATED ADD-ON FEATURES

Designed for churches of all sizes looking for a single, customized, data solution that meets their unique parish needs, WeGather comes with all the add-on features you'll need to create the perfect database for your community.

PLEDGING & DONATIONS

Allow parishioners and visitors to donate and pledge to your parish online using a checking account or credit card. Includes FREE 360° marketing support and enrollment in the WeShare Engagement Campaign.

VOLUNTEER SCHEDULER

Empower parishioners to self-manage their volunteer days, times, and frequency for recurring service opportunities. The auto-scheduler feature automates scheduling all volunteer days and times based on the parishioner selections.

EVENT MANAGEMENT

Build and manage event registration and online payments with flexible form fields and custom ticket creation. Add multiple volunteer opportunities to a single event. Allow parishioners and visitors to search, sign up, RSVP, and volunteer for events online.

ONLINE COMMUNITY

Safe and secure online parish social community to manage parishioner profiles, family relationships, personal sacraments, member directory, class and event history. An online space for parishioner engagement and communication for joining ministry groups, email, texting, and posting feeds.

FAITH FORMATION MANAGEMENT

Accept online registrations, take class payments, assign volunteer leaders, and keep track of attendance. Online registration with payment transactions offers a shopping cart experience to checkout multiple family members at once.

MANAGE FACILITIES

Book parish classes and events on a single calendar. Manage parish buildings, facilities, rooms, and equipment inventory.

CUSTOM WEBSITE

Welcome visitors with a beautifully designed, state-of-the-art website customized just for your parish; flexibility to manage parish content, parishioner activity, and online communication.
